Villa Weddings

If you are looking for the ultimate in luxury and privacy you should consider a villa wedding. We have an amazing selection of luxury private villas which we have carefully selected to meet the highest standards for your big day. Each of these luxury villas have been selected as they offer an ideal venue for an intimate private wedding but also offering stunning views, complete privacy and at the same time, a great choice for luxury accommodation.

We can arrange for the entire wedding to take place at the villa including the Wedding Ceremony, Cocktail Reception following by dinner and party. This will save you both time and money on transportation. If required, we are able to arrange affordable villa accommodation nearby for your family and guests which will make a considerable savings to them in comparison to hotel costs.

A unique private villa wedding – what better way to get married – your marriage, your honeymoon and your holiday with your family and friends, all rolled into one without having to go anywhere else.

Why a Villa Wedding

So your next question is why should we choose Villa for our wedding day. Below are some key reasons why the hotel is perfect for you:-

- Complete privacy;
- Sharing the cost of the accommodation with family or friends;
- Choice of luxury villas that are hand picked for their suitability;

How it Works

Our expertise focuses on striving for perfection and our many years in this business has given us the know-how and capabilities to make your Cyprus wedding unique. We realise however that everyone needs a 'bottom-line' cost to work within their budgets and this is why we offer more than twenty package options. All these options are flexible/upgradeable and we certainly don't treat you like a number like some other wedding planners and tour operators. The basis of our packages is your 'blank canvas' - feel free to take out or add as you wish- most of our happy couples do!
